Mrs. F. C. Beauchamp,
Blakely, Ga.

Dear Mrs. Beauchamp:

I thank you very much for yours of March 4th together with information.

I would appreciate it if you could fill out in a systematic way the blank that I herewith enclose, as it will assist me very materially in working up my genealogy in the proper form; likewise it gives the information back to Vines Collier, who was my ancestor. He came from Brunswick County, Virginia to Georgia, and settled in Wilkes County, which was later Oglethorpe, during the year 1780.

Do your best to give me the names of your grandfather and your great-grandfather on the Collier side, as I am quite anxious to know from which of these nine sons of Vines Collier was your father's (Benjamin Collier) father. There is 3 or 4 of these sons of Vines that were born around 1770 to 1785 that I have not yet located their families.

Will you kindly give me as prompt reply as possible, because this is an awful task.

With my most sincere regards and best wishes, and trusting to have the pleasure of knowing you at some day, I beg to remain

Yours most cordially,

JCC:S

J. C. COLLIER.
